Dear Sir/Madam,

The On-line/Off-line examinations of final year students for regular, backlog and repeater courses are being organized by Savitribai Phule Pune University in the month of October 2020. As per the structure approved by the academic council, the paper setting and evaluation of answer-books for elective subjects (Elective-I, Elective-II and Elective-III) for 2013 course and 2017 courses of ME and M Tech programs in Engineering is to be done at the institute level and marks are to be uploaded to the University server through the internal marks web-portal facility.

Considering the Covid-19 pandemic situation, a decision is taken to grant the permission to concerned engineering colleges to decide the time table as per their convenience and complete the evaluation process of Elective-I, Elective-II and Elective-III subjects at the institute level. It is requested to upload marks of these elective subjects through the internal marks web-portal till **Saturday, the 10th October, 2020.**

The Principals/Directors of all engineering colleges are requested to inform contents in this letter to their teachers, students and all concerned and take necessary action.
