**ALAP Academic Leadership Alignment Program on
NEP Implementation Pathway Services (NIPS)**

(For Senior leaderships of Universities and HEIs)

Introduction

National Education Policy-2020 brings a great opportunity to make higher education a mean to nurture the unique capabilities of each student with cross disciplinary and application focused learning, along with the flexible curriculum design and appropriate use of technology. There are many path breaking ideas proposed and elaborated in the NEP 2020 about holistic education such as integration of Bharatiya Knowledge System, research based pedagogy, respect for local context in the curriculum, flexible academic credit system and many others. Implementation of these initiatives needs personal and administrative preparation. Academic Leadership Alignment Program – ALAP is designed for the faculty members and institutional leaders to implement these great ideas presented in the NEP-2020 for their institutions.

About Savitribai Phule Pune University

Savitribai Phule Pune University, one of the premier universities in India, is positioned in the North-western part of Pune city. It was established on 10th February 1949 under the Poona University Act. The University houses 46 academic departments. It is popularly known as the 'Oxford of the East.' It has about 307 recognized research institutes and 612 affiliated colleges offering graduate and undergraduate courses.

About Dr. Babasaheb Ambedkar Technological University

The Dr. Babasaheb Ambedkar Technological University, Lonere is one of the oldest and premier Universities of India established by Government of Maharashtra. The University offers 58 UG, 66 PG and 15 Ph.D programmes.

The university empowered to affiliate institutions that offer Degree, Post Graduate and Ph.D level programs in the disciplines of Engineering, Pharmacy, Architecture, HMCT. The University has more than 280 Affiliated Colleges

About COEP Technological University

COEP Technological University (formerly College of Engineering, Pune) COEP Tech, chartered in 1854, is a nationally respected leader in technical education. The hallmark of COEP Tech education is its, Remarkable translational research by faculty, Excellent students' performance in placements, higher studies, entrepreneurship, Strong alumni network, and Sustained industry/corporate engagements. COEP Tech offers nine UG and twenty-six PG programs and has more than 4000 students enrolled in its various programs.

About ALAP

Academic Leadership Alignment Program: ALAP is designed for Senior leaders of Universities and Higher Education Institutes (HEIs) to implement the great ideas presented in the NEP-2020 in their institute.

Expected Outcomes:

After attending this Anandshala, Blissinar the participants will be able to:

- Paraphrase the vision of National Education Policy (NEP)
- Recognize the salient features of NEP
- Develop the interventions for applying research based pedagogical approach.
- Reappraise the role of faculty members who can balance the different roles of educator, mentor and administrator
- Orient the education and development of systems for entrepreneurship development
- Chalk out the pathways of implementing NEP at individual, departmental, and institutional level.
- Redesign the administrative process to be learning centric process and systems.

This program is designed with judicious mix of expert talks, self-reflection, group work, peer learning, case examples and self-assessment.

Topics:

- Self-discovery and sharing of salient features of NEP
- Integration of Bhartiya Knowledge System
- Research Approach in NEP and Research based Pedagogy
- Curriculum Design according to guidelines of NEP
- Role of Teacher in Actualizing the Learning Objectives of curriculum design
- Research, Innovation in higher education
- Governance and Administration
- Academic Leadership and Action Planning
