Dear All,

Greetings from IAPPD!

This is in continuation to our earlier emails regarding the 9th Inter-College and Inter-University Debate Competition for the academic year 2024-25. Invitations were sent to Vice-Chancellors and Registrars, requesting your esteemed institutions to organize the Inter-College Debate Competition at the university level, culminating in the National Inter-University Debate Competition in Delhi.

We are delighted to announce that the *National Inter-University Debate Competition is scheduled to be held on 28th February and 1st March, 2025*, at New Delhi-110049.

This year's theme is:

"The climate crisis is posing a threat to human health" (For/Against)

We understand that organizing an Inter-College Debate Competition requires thoughtful preparation and coordination. To ensure seamless participation,

we kindly request the following:

Confirmation of Participation: Please confirm your university's willingness to participate and conduct the inter-college debate competition at the earliest.

Winner Details Submission: If the Inter-College Debate Competition has already been conducted at your university, kindly share the details of the winning participants (one speaker for and one against the motion) along with the name and contact details of the accompanying faculty coordinator.

Thank you for your cooperation and support in making this event a grand success.

With warm regards,

--
Manmohan Sharma
