Respected Sir/Madam
Greetings from AICTE!

We are writing to invite you to join us for the launch of a significant initiative: 'The Juniper AI-Driven Campus Center of Excellence' for AICTE-Approved Institutions on September 24, 2024 at 3 pm in an online mode. Juniper Networks, a global leader in AI Networking, Cloud, and Connected Security Solutions want to set up AI-Driven Campus Center of Excellence in 500 AICTE approved institutions. This initiative aligns with the Government's National Education Policy (NEP), which emphasizes skill development through practical learning. and presents a significant opportunity for advancing the educational infrastructure. This alignment is a part of Juniper CSR initiative; Juniper is committed to investing 100 Crores in the establishment of these 500 Juniper AI-Driven Campus Centre of Excellence(COE) in India. We are honoured to have Prof. T.G. Sitharam, Hon'ble Chairman, AICTE grace the occasion.

The Center of Excellence aims to empower institutions with cutting-edge AI technology to drive innovation and enhance the learning experience for students. By participating in this initiative, institutions can gain access to valuable resources and expertise that will contribute to its academic excellence and technological advancement.

EduSkills, is a strategic partner of Juniper actively leading the Juniper Virtual Internship program. Additionally, Eduskills is tasked by the Juniper Team to also drive the COE Initiative in pan India.

The details of the launch programme in virtual/online mode is as given below:
