Compliments for the New Year 2023

Dr. M.S. Ramaiah a great visionary, a keen educationalist and a renowned philanthropist founded 'Gokula Education Foundation' in 1962 with an objective of serving the society in the fields of education and health. M.S. Ramaiah Institute of Technology (MSRIT) was established in 1962 with two programs. Currently the institute offers 17 UG programs, 15 PG programs and full time PhD program. All eligible UG and PG programs are accredited by National Board of Accreditation (NBA) and the institute is accredited with A+ grade by NAAC. Ramaiah Institute Technology (RIT) has achieved 67th rank among 1249 top engineering institutions and the School of Architecture has achieved 17th rank across India as per the National Institutional Ranking Framework (NIRF), MoE, and Government of India -2022.

In view of the **Centenary Birth Celebrations** of the founder chairman Dr. M.S. Ramaiah and the **Diamond Jubilee Year Celebrations** of the institute, the National level Project Competition is being organised by RIT for the students to exhibit their innovative ideas / projects / prototypes / working models in the fields of Engineering and Technology. The competition offers two streams for participation. **Stream 1** covers Architecture, Mechanical, Industrial Engineering & Management, Civil, Chemical and Biotechnology & **Stream 2** covers Computer Science, Information Science, Artificial Intelligence & Machine Learning, Data Science, Cyber Security, Electronics and Communication, Electrical, Instrumentation, Medical Electronics, Biomedical, and Telecommunication Engineering. Winners get cash prize of Rs.3,00,000/- per stream.

RIT invites the students of your esteemed institution / university to participate in this event and showcase their innovative ideas / projects / prototypes / working models in the leading edge technologies. Look forward for the student participation towards this event. Please note the last date for abstract submission is 31.01.2023
