Sub: **SCM-Start : Supply Chain Quiz Program - Reg.**

Greetings from Fyzics Business Consultants!

Fyzics is a business consulting company specializing in supply chain management, new product development, and business analysis.

In our pursuit of spreading supply chain knowledge, Fyzics is conducting a **National Level Supply Chain Quiz Competition** titled "**SCM-Start**" exclusively for college students pursuing a degree or diploma program. The quiz will happen in three levels, L1, L2, and L3, between December 2022 and February 2023. The winners receive exciting prizes worth two lakhs plus an internship opportunity with leading supply chain companies.

The purpose of SCM-Start is to kindle an interest among college students to explore supply chain management as a career option. There is no registration fee for the competition. We request the institution to display the attached poster on its notice board and share the ePoster through the institution's website and social media accounts. We request you to encourage your students to participate in large numbers and benefit from this unique opportunity.

Sponsorship opportunities are available for institutions.

For more details, please contact us at 900-304-9000 or email at CS@Fyzics.net or visit the competition website www.SCM-Start.in.
