Dear Sir/Madam,

Greetings from XLRI!

This letter is to introduce you to two national level competitions for students on the topic "Ethics, Business and Society" organized by JRD Tata Foundation for Business Ethics, XLRI, Jamshedpur. As you are aware, ethics is very significant for society in general and business in particular. I would be happy if you can encourage your students to take part in these competitions and foster their ethical sensibilities.

Please find enclosed detailed flyers for the All-India Poster Competition and the All-India Essay Writing Competition.

Looking forward to your institute's participation.

With best regards

Fr Dr Kuruvilla Pandikattu, S.J.  
JRD Tata Foundation for Business Ethics
