Advertisement for Junior Research Fellow (JRF)

Applications are invited on purely temporary basis for one position of Junior Research Fellow (JRF) to work on a project entitled "**Glucose Lowering and Wound Healing Effects of Callus Extracts and Entire Plant Extracts from Korean and Indian Medicinal Plants**" to be conducted at Department of Botany, S P Pune University. The project is funded under the **DST-NRF Joint Indo-Korea Research Scheme (INT/Korea/P-31)** awarded to Dr. (Mrs.) Anjali Abhay Kulkarni (PI), Assistant Professor, Department of Botany.

Essential Qualifications: M. Sc. Botany/Biochemistry/Biotechnology/Life Sciences with first class. Qualification in NET/SET/GATE examinations.

Desirable Qualifications: Experience with protein handling and animal and plant tissue culture.

Reservation: Open. If suitable candidate is not found from this category, other suitable candidate may be employed for 1 year duration.

Duration: 1 year at the outset (renewable in subsequent year based on satisfactory performance).

Fellowship: Rs. 25,000/- + 30% HRA. If NET/SET/GATE qualified candidate is not found, the candidate will be recruited at PA-II level as per DST norms.

Application Procedure: Submit an application in the format provided. Any additional information may be submitted as an annexure. Application with attested copies of all certificates should reach the Principal Investigator within 15 days of publication of this advertisement. Selection will be made through screening followed by interview at the Department of Botany, University of Pune. Shortlisted candidates will be contacted by phone/e-mail for attending the interview. No TA/DA will be paid for attending the interview.
