**NSS Program Coordinators/
NSS Directors in Maharashtra & Goa**

Sir/Madam

It is to inform you that ,the Ministry of Tribal Affairs is anchoring the Aadi Karmayogi Abhiyan with an objective to radically transform grassroots governance and last-mile service delivery. In synergy with flagship programs of the Government like PM-JANMAN and DA-JGUA, this Abhiyan seeks to institutionalize a convergence-driven, people-centered governance system rooted in tribal wisdom and aspirations.

2.The nationwide Abhiyan aims at creating a cadre of 20 lakh committed change leaders across all levels of governance and also a band of "Adi Sahyogis" for community mobilization.Members of Civil Society Organizations (CVO) and voluntary groups having motivation to work for the overall wellbeing of tribal people and tribal area development will act as Adi Sahyogis. These volunteers will enable the grass root level tribal beneficiaries to become change makers in their respective communities, with demands for critical services being generated from among the villagers.

3.National Service Scheme (NSS) being an initiative focused on community service and personality development through voluntary work among students, can contribute effectively in the Aadi Karmayogi Abhiyan. NSS volunteers may be encouraged to become Adi Sahyogis and undertake the following for the success of the Abhiyan:

- i) Participation of NSS volunteers at the district, block and village level in creating awareness about Karmayogi program among tribal people, resulting in tribal villagers becoming aware about their rights / benefits,**
- ii) Helping the tribal communities to build a vision for critical infrastructure from the villages.**
- iii) Creation of a band of dedicated volunteers who will regularly motivate the tribal communities for creation of village action plan activities and actively participating in Government programs.**
- iv) Helping develop & use SEVA Centres.**

4.In this regard, all the NSS Units under your jurisdiction shall be asked to actively engage in conducting awareness on Aadi Karmayogi Abhiyan and motivate tribal communities. This is for your kind information and necessary action please .
