**Subject: Strengthening HIV/AIDS Awareness and Red Ribbon Club Activities in Higher Education Institutions**

**Greetings from Maharashtra State AIDS Control Society (MSACS)...!!!**

Respected Sir/Madam,

The University Grants Commission (UGC), in collaboration with the National AIDS Control Organisation (NACO), Ministry of Health & Family Welfare, Government of India, is actively strengthening HIV prevention and control initiatives across Higher Education Institutions (HEIs).

Pursuant to the Memorandum of Understanding (MoU) signed between UGC and NACO in 2013, more than 14,925 Red Ribbon Clubs (RRCs) have been established across colleges in India to promote HIV/AIDS awareness, healthy lifestyles, and voluntary blood donation among youth.

In continuation of these efforts, all Higher Education Institutions are requested to undertake the following actions:

1. **Organize and promote HIV/AIDS awareness activities** in colleges, technical institutions, and universities.
2. **Appoint a Complaints Officer** in educational institutions and establishments in accordance with the *HIV and AIDS Policy for Establishments, 2022*.
3. **Establish Red Ribbon Clubs (RRCs)** in all Higher Education Institutions, including private colleges and universities, where such clubs have not yet been constituted.

These measures are essential for achieving the **Sustainable Development Goal (SDG) of ending AIDS as a public health threat by 2030**. You are requested to disseminate this information among all affiliated colleges and institutions under your jurisdiction and ensure necessary action at the earliest.
