in Maharashtra & Goa

Sir/ Madam,

It is to inform that on the occasion of the completion of one year since the launch of the MY Bharat Portal by Hon'ble Prime Minister of India, the Ministry of Youth Affairs & Sports/Directorate of NSS, New Delhi has informed us to conduct the **MY BHARAT OUTREACH PROGRAM** at all NSS institutions. **As per guidelines of Govt of India, MoYAS New Delhi all NSS Volunteers are to be registered as Youth on MY Bharat Portal.**

In this regard, a MY Bharat Outreach Presentation of 20-30 minutes by NSS Volunteers, with the help of NSS Program Officers (copy attached for reference), for all NSS Volunteers & Students is required to be organized in their institutions on any of the days during the period from 20th December 2024 to 10th January 2025.

The objective of the My Bharat Outreach program is to raise awareness among students about the features of the MY Bharat Portal, as well as the benefits it offers to youth/adolescents. Therefore, maximum students and NSS Volunteers should be encouraged to register and benefit from the features available on the My Bharat Portal.

NSS Volunteers will work as MY BHARAT AMBASSADORS/Peer Educators for the MY Bharat Outreach Program. A copy of the PPT and MY Bharat Manual is also attached for reference. All Peer Educators/MY Bharat Ambassadors shall organize the MY Bharat Outreach presentation/session in their institutions during the period **20th December 2024 to 10th January 2025**. NSS Program Officers of the respective institutions shall provide necessary support for gathering NSS Volunteers/Students, making arrangements for the presentation, and facilitating the MY Bharat Outreach Campaign within their institutions. It is recommended to use **MY Bharat Caps**, if available with NSS units.

Please note that we have attached the **revised presentation** for the MY Bharat Outreach Program for your reference.

Photographs & Report of My Bharat outreach program shall be shared to nssrcpune@gmail.com & whats app group & event for the activity shall be created on my bharat portal by respective NSS PO. REPORT OF MY BHARAT OUTREACH PROGRAM SHALL BE SUBMITTED IN THE PERFROMA/ GOOGLE SHEET GIVEN BELOW. Events for MY Bharat Outreach Program at Institutional Program shall be created by NSS PO on MY Bharat Portal.

Introduction (Module 1)

This is a comprehensive user manual for the MY Bharat portal, your gateway to a transformative journey of youth empowerment and Experiential Learning Opportunity. MY Bharat, operating under the Department of Youth Affairs, is a pioneering platform with a dual mission — to empower and propel the youth and youth-led development, Experiential Learning Opportunities in India, leveraging the transformative force of technology.

MY Bharat portal is a thoughtfully designed digital portal catering to the dynamic youth demographic aged between 15 and 29 years. This portal offers a wealth of resources, mentorship programs, experiential learning opportunities, networks, and invaluable industry connections. It acts as a springboard, propelling young individuals toward realizing their personal aspirations while equipping them to be the architects of change within their communities.

This user manual will guide you through each section, providing step-by-step instructions to navigate and make the most of the offerings available on the MY Bharat portal. Whether you're a youth participant or a partner organization, this manual is designed to enhance your understanding and maximize your engagement with the platform. Let's embark on this journey of growth, learning, and positive impact together.

MY Bharat

Learning Outcome: The user will obtain an overview of the platform and the services offered by the platform.

Mera Yuva Bharat (MY Bharat) stands as an autonomous entity under the aegis of the Department of Youth Affairs, serving as a pivotal catalyst with a dual mission to empower and propel youth as well as youth-led development in India, harnessing the transformative force of technology.

At the heart of MY Bharat lies a comprehensive government portal, meticulously designed to cater to the needs of the dynamic youth demographic, aged between 15 and 29 years. It acts as a springboard, propelling young individuals towards realizing their personal aspirations while simultaneously equipping them to be the architects of change within their communities.

Objectives

1. **Leadership Development Experiential Learning Opportunity:** MY Bharat connects the youth's leadership aptitude to real-world leadership opportunities.
2. **Mentorship:** MY Bharat provides meaningful learnings through mentorship, connecting youth with expert professionals to nurture their Development and growth.
3. **Community Engagement:** Involvement of Yuva in community affairs fosters a sense of responsibility and leadership, as individuals strive to positively influence society.
4. **Personalized Learning:** MY Bharat provides tailored learning and training experiences for Bharat's youth, ensuring relevance and effectiveness.
5. **Experiential Learning:** MY Bharat prioritizes experiential learning through exposure to impactful practical work to boost youth employability and problem-solving skills.

Defining MY Bharat Opportunities

Experiential Learning Opportunity (Module 1.1)

Objective - To empower users with insights into the Volunteer for Bharat module and how the functionalities of the other modules are culminating into this module.

Outcome - Users will gain the capability to utilize all features within this module and comprehend the preconditions necessary for a seamless experience on this platform.

This training module aims to familiarize participants with the key features and components of the MY Bharat Experiential Learning Opportunity. By the end of this session, participants should have a comprehensive understanding of the program's structure, goals, and how it empowers youth through hands-on experiences within a phygital ecosystem.

Introduction to MY Bharat Experiential Learning Opportunity

MY Bharat's Experiential Learning Opportunity is a transformative initiative designed to empower the youth of India through hands-on experiences and practical insights. It serves as a dynamic platform where young individuals actively engage in real-world scenarios, fostering skill, leadership qualities, and a deepened understanding of various domains.

By bridging the gap between theoretical knowledge and practical application, this program equips participants with the tools they need to navigate the complexities of the modern world. Whether it's collaborating with government departments, participating in community projects, or contributing to societal progress, MY Bharat's Experiential Learning Opportunity creates a rich tapestry of opportunities for youth to learn, grow, and shape a brighter future.

- **Background and Initiator**
 - Ministry of Youth Affairs and Sports
 - Comprehensive Experiential Learning Opportunity
- **Program Objectives**
 - Bridging the gap between theory and real-world applications
 - Empowering the youth of the nation with diverse opportunities

Key Features of MY Bharat Experiential Learning Opportunity

This transformative program is characterized by several key features that ensure a comprehensive and impactful learning journey for participants.

Opportunity Posting by Organizations

One of the pillars of the MY Bharat Experiential Learning Opportunity is the seamless integration of opportunities posted by various organizations. These postings provide detailed information about the experiential learning opportunities, including specific tasks, locations, and other relevant details. This ensures transparency and clarity for prospective participants, allowing them to make informed choices aligned with their interests and aspirations.

Phyigital Ecosystem

MY Bharat embraces a unique Phyigital Ecosystem, combining physical and digital elements to enhance accessibility. This innovative approach breaks down geographical barriers, allowing participants to engage with experiential learning opportunities through a user-friendly digital platform while fostering real-world, on-ground experiences.

Geographical Accessibility

The program prioritizes geographical accessibility by offering hands-on experiences within a 30-kilometer radius of the chosen or home location. This localized approach not only increases the feasibility of participation but also strengthens local engagement, enabling youth to contribute meaningfully to their immediate communities.

Application Process

To ensure the eligibility and suitability of participants, the MY Bharat Experiential Learning Opportunity involves a thorough vetting process conducted by program officers from respective colleges. This meticulous screening process helps match participants with opportunities that align with their skills, interests, and career goals.

Shortlisting Process

Based on qualifications and suitability, MY Bharat employs a strategic shortlisting process to identify potential participants. This ensures that individuals selected for the program are well-matched to the tasks at hand, maximizing the impact of their learning experiences.

Task Completion Monitoring

Organizations play an active role in the program by providing specific tasks to participants. The MY Bharat platform monitors the progress of participants throughout the program, ensuring that tasks are completed successfully and participants gain valuable insights from their hands-on experiences.

Certificate Upon Completion

Recognition for successful program completion is a crucial aspect of MY Bharat's Experiential Learning Opportunity. Participants receive certificates that signify the skills and experiences acquired during the program, adding tangible value to their academic and professional profiles.

Note 5 * The respective verifier will approve your profile after which you will become eligible to apply to Experiential Learning Opportunities.

Work Exposure

Here you have to write about your work experience that you have gained until now. If you don't have any experience you can leave it blank.

Skills

You can add your skills in the skills section – for example – Communication, Decision Making, Marketing, Etc. Please note that there are some preset skills which you can select from the dropdown. These skills appear when you enter any related keyword in the given search box.

Area of Interest

Selecting an "Area of Interest" triggers a related dropdown labeled "Sub-Area of Interest".

This dropdown offers specific items connected to the initial choice, streamlining the selection process for more precise and tailored options.

Experiential Learning Preferences

In order to set up experiential learning preferences you have to enter the desired **area and pin code** where you'll be expected to be available physically during the Experiential Learning Opportunity, if required. Your preferential address need not be the same as your permanent address.

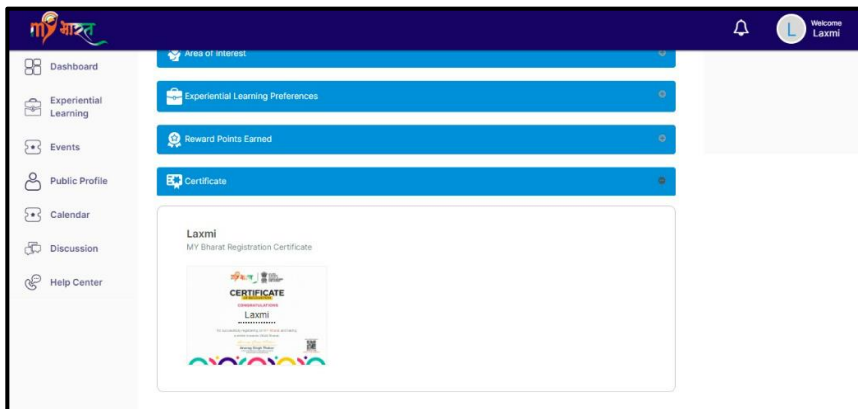

11. Fill the required details in each section.
12. Click "Save"

13. Participation in various activities on MY Bharat portal Youth will be provided with Reward points. These reward points will be visible once you complete various activities on the platform successfully such as Experiential Learning, Volunteer for Bharat, etc. As per New Education Policy, these reward points will be integrated in the final marksheet/degree that the Youth will be receiving from their respective School/colleges/universities.
14. Certificates Section will show your assignments and the Experiential Learning Opportunity that you've participated in.

Note You can download your certificate from the respective department on MY Bharat once it's available after successful completion of ELP. As shown in Experiential Learning Opportunity in the figure, open the certificate by clicking on it.*

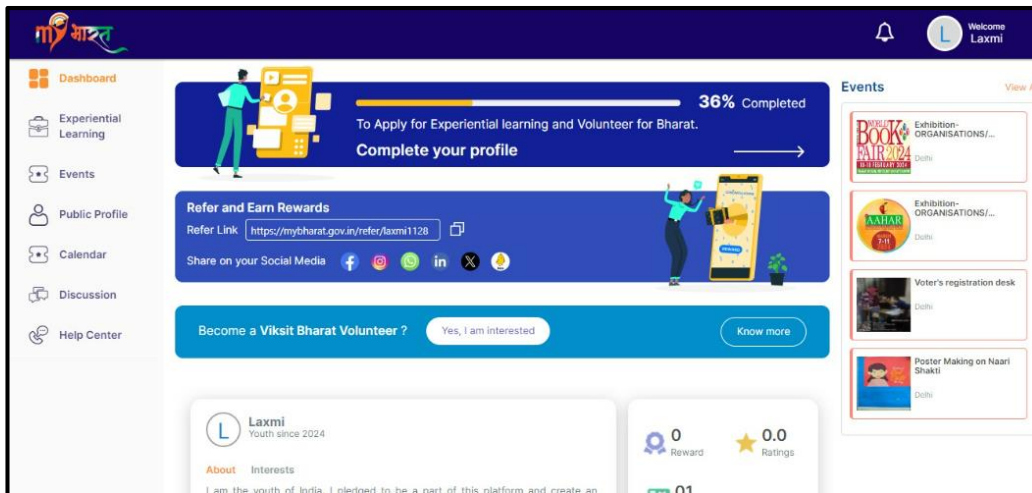

Download as PNG or PDF as per your requirement by clicking on the respective buttons.

15. Click on the Pencil Button to Upload Profile Photo

- 16. Make sure the formats are PNG, JPG(Size 110x110KB)
- 17. Choose File
- 18. Click "Update Profile Photo"

Youth Dashboard

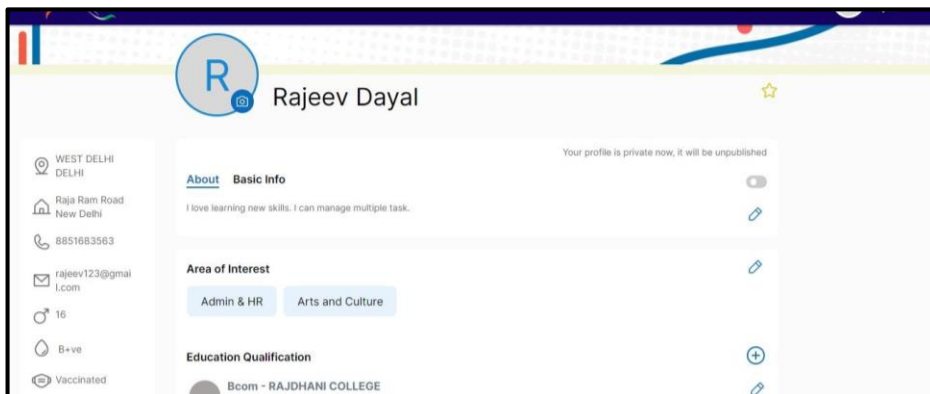

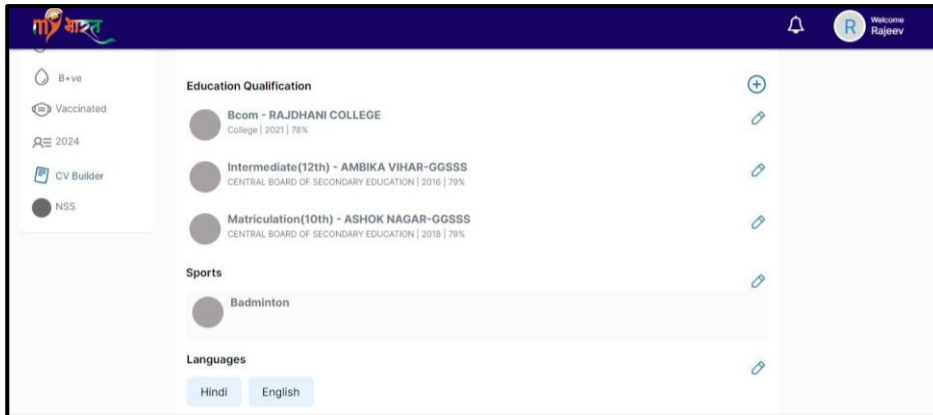

Your dashboard contains all you need to get started. There are various options in a left hand side panel which consist of the following features:

- **Experiential Learning** : By navigating to experiential learning you can find and apply for Experiential Learning Opportunities around your vicinity.
- **Events** : By navigating to experiential learning you can find and apply for events depending upon your interests. This calendar will highlight the dates on which events are lined up by the partners and you can browse them easily from here.
- **Public Profile**: Upon registering on the MY Bharat Portal, individuals can opt to create a public profile, allowing them to share their name, profile picture, and bio with the entire MY Bharat community. This enables users to connect and engage with others more openly and effectively.
- **Calendar**: Navigating to this option would take you to a usual calendar where you can check the dates and plan your activities.
- **Discussions**: Navigating to the discussions from the Menu youth will be redirected to a page where the discussions regarding the tasks would happen. These tasks are assigned by the partner.
- **Help Centre**: For any doubts or query you can navigate to Help Centre from the menu.

Public Profile Creation

1. Go to Login Page
2. Click on "Login" Button
3. Enter your registered Mobile Number/Email Address
4. Check the box "Terms of Use"
5. Click "Sign In"
6. Enter the OTP
7. Click "Sign In" again
8. Click "Public Profile"
9. The following page would appear:

Note* If you want your public profile to be publicly visible then make sure you've turned on the button to Yes. As shown in the figure Experiential Learning Opportunity.

Benefits: (Increase visibility) A public profile allows individuals to be seen by a wider audience within the MYB community, potentially leading to increased recognition and opportunities. However, to turn on the public profile, user needs to click on the "Public Profile Visible" Button (slide it to "Yes").

CV Builder

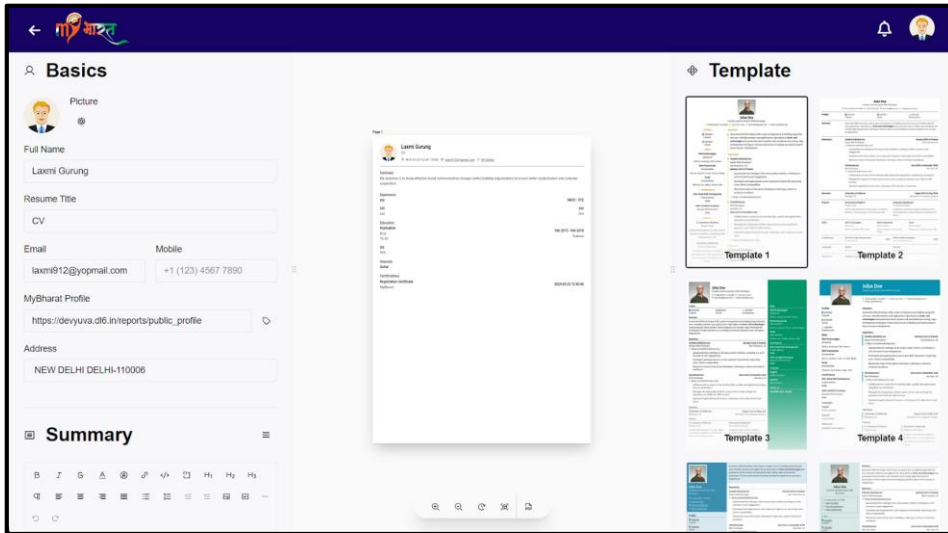

Using the CV builder the youth can effectively create resumes for themselves using the details that are already present on the MY Bharat platform. Users are given a wide range of options and edit features that they can use to create engaging resumes for applying to jobs/internships.

To use the CV builder follow the steps below:

Partner (Module 2.2)

Objective - To empower users with insights into the partner module and who can be qualified as partners and elucidate the functionalities provided to them.

Outcome - Users will gain the capability to utilize all features within this module and comprehend the preconditions necessary for a seamless experience on this platform.

At MY Bharat, we believe in the strength of collaboration and the collective effort to empower India's youth. Our journey is enriched by the valuable partnerships we have forged with various organizations, each contributing to our mission of creating a transformative impact. From government bodies to Non Government Organizations / Community Based Organizations, educational institutions, and corporate entities, our partners share a common vision of fostering youth development, Experiential Learning Opportunity and nation-building.

Introduction to Partner

Partners of MY Bharat allow us to amplify our reach and create a more significant impact on the lives of young individuals across the nation. Together with our partners, we strive to provide diverse opportunities, Experiential Learning Opportunities, and skill-building activities that equip the youth with the tools they need to navigate the challenges of the future.

It is through these alliances that MY Bharat thrives as a dynamic platform, fostering innovation, inclusivity, and growth for the youth, ultimately contributing to the progress of the nation.

MY Bharat Partners are the facilitators of opportunities. They create and post opportunities for experiential learning, volunteering for events etc. inviting youth participation.

There are several types of partner organizations including **governmental entities** such as **police departments, municipal corporations, ministerial state departments (eg. department of Urban Development, Maharashtra), ministries (eg. Ministry of road transport and Highways)** and **private entities** such as **businesses (eg. Banks like , Corporates such as TATA Sons, Medium and Small Scale Enterprises, etc.)**. Additionally, partners also include **Non-governmental organizations (NGOs) (example Pratham, etc.)**.

A noteworthy thing is that the partner account of **DYO** (a type of partner) has some special functions which include the functionality of DYO as well as a Partner organization, such as NSS, BSG, NYKS etc.

Here are the core responsibilities of the Partner User Type on MY Bharat portal.

- Registration as Partner
- Login as Partner
- Publishing of Experiential Learning Opportunities
- Approval/Rejection of Youth Interests for Experiential Learning Opportunity/Events
- Assigning Tasks to Youth
- Evaluation of Submitted Assignments
- Adding Volunteering opportunities for MYB

Let's understand the Partner Module by walking through each of the above tasks/responsibilities.

Commented [3]: Pls cross check Oxfam this organization is under controversies under govt.

Can we add academic institutes as partner.
