## Sub: Enrollment on My Bharat portal - Reg.

Sir/Madam,

This is with reference to several Meetings held under the Chairmanship of Secretary (YA) & Director, NSS regarding My Bharat Portal. In continuation to our previous communications I am once again directed to inform you to ensure all NSS Volunteers to be enrolled on My Bharat portal. The comparative report of NSS Volunteers enrolled and allocated Volunteers is attached for your preference. It is found that the enrollment of some of the States are not satisfying which is a matter of concern.

Since Secretary (YA) and Joint Secretary (YA) are personally monitoring the registration on My Bharat Portal at regular intervals. Therefore it is the responsibility of the concern Regional Director to register all NSS Volunteers as per the allocation of your respective States on My Bharat Portal without fail.

Hence it is requested to make all efforts to enroll the entire allocation of NSS Volunteers on My Bharat Portal and monitor it on daily basis. This is for your kind information and necessary action.

Encl: As above

### **Defining MY Bharat Opportunities**

#### **Experiential Learning Opportunity (Module 1.1)**

Objective - To empower users with insights into the Volunteer for Bharat module and how the functionalities of the other modules are culminating into this module.

Outcome - Users will gain the capability to utilize all features within this module and comprehend the preconditions necessary for a seamless experience on this platform.

This training module aims to familiarize participants with the key features and components of the MY Bharat Experiential Learning Opportunity. By the end of this session, participants should have a comprehensive understanding of the program's structure, goals, and how it empowers youth through hands-on experiences within a phygital ecosystem.

Introduction to MY Bharat Experiential Learning Opportunity

MY Bharat's Experiential Learning Opportunity is a transformative initiative designed to empower the youth of India through hands-on experiences and practical insights. It serves as a dynamic platform where young individuals actively engage in real-world scenarios, fostering skill, leadership qualities, and a deepened understanding of various domains.

By bridging the gap between theoretical knowledge and practical application, this program equips participants with the tools they need to navigate the complexities of the modern world. Whether it's collaborating with government departments, participating in community projects, or contributing to societal progress, MY Bharat's Experiential Learning Opportunity creates a rich tapestry of opportunities for youth to learn, grow, and shape a brighter future.

#### • Background and Initiator

- Ministry of Youth Affairs and Sports
- Comprehensive Experiential Learning Opportunity
- Program Objectives
  - Bridging the gap between theory and real-world applications
  - Empowering the youth of the nation with diverse opportunities

Key Features of MY Bharat Experiential Learning Opportunity

This transformative program is characterized by several key features that ensure a comprehensive and impactful learning journey for participants.

#### **Opportunity Posting by Organizations**

One of the pillars of the MY Bharat Experiential Learning Opportunity is the seamless integration of opportunities posted by various organizations. These postings provide detailed information about the experiential learning opportunities, including specific tasks, locations, and other relevant details. This ensures transparency and clarity for prospective participants, allowing them to make informed choices aligned with their interests and aspirations.

#### **Phygital Ecosystem**

MY Bharat embraces a unique Phygital Ecosystem, combining physical and digital elements to enhance accessibility. This innovative approach breaks down geographical barriers, allowing participants to engage with experiential learning opportunities through a user-friendly digital platform while fostering real-world, on-ground experiences.

#### **Geographical Accessibility**

The program prioritizes geographical accessibility by offering hands-on experiences within a 30-kilometer radius of the chosen or home location. This localized approach not only increases the feasibility of participation but also strengthens local engagement, enabling youth to contribute meaningfully to their immediate communities.

#### **Application Process**

To ensure the eligibility and suitability of participants, the MY Bharat Experiential Learning Opportunity involves a thorough vetting process conducted by program officers from respective colleges. This meticulous screening process helps match participants with opportunities that align with their skills, interests, and career goals.

#### Shortlisting Process

Based on qualifications and suitability, MY Bharat employs a strategic shortlisting process to identify potential participants. This ensures that individuals selected for the program are well-matched to the tasks at hand, maximizing the impact of their learning experiences.

#### **Task Completion Monitoring**

Organizations play an active role in the program by providing specific tasks to participants. The MY Bharat platform monitors the progress of participants throughout the program, ensuring that tasks are completed successfully and participants gain valuable insights from their hands-on experiences.

#### **Certificate Upon Completion**

Recognition for successful program completion is a crucial aspect of MY Bharat's Experiential Learning Opportunity. Participants receive certificates that signify the skills and experiences acquired during the program, adding tangible value to their academic and professional profiles.

**Training Efforts for Program Execution**

#### Partner (Module 2.2)

Objective - To empower users with insights into the partner module and who can be qualified as partners and elucidate the functionalities provided to them.

Outcome - Users will gain the capability to utilize all features within this module and comprehend the preconditions necessary for a seamless experience on this platform.

At MY Bharat, we believe in the strength of collaboration and the collective effort to empower India's youth. Our journey is enriched by the valuable partnerships we have forged with various organizations, each contributing to our mission of creating a transformative impact. From government bodies to Non Government Organizations / Community Based Organizations, educational institutions, and corporate entities, our partners share a common vision of fostering youth development, Experiential Learning Opportunity and nation-building.

#### Introduction to Partner

Partners of MY Bharat allow us to amplify our reach and create a more significant impact on the lives of young individuals across the nation. Together with our partners, we strive to provide diverse opportunities, Experiential Learning Opportunities, and skill-building activities that equip the youth with the tools they need to navigate the challenges of the future.

It is through these alliances that MY Bharat thrives as a dynamic platform, fostering innovation, inclusivity, and growth for the youth, ultimately contributing to the progress of the nation.

MY Bharat Partners are the facilitators of opportunities. They create and post opportunities for experiential learning, volunteering for events etc. inviting youth participation.

There are several types of partner organizations including governmental entities such as police departments, municipal corporations, ministerial state departments (eg. department of Urban Development, Maharashtra), ministries (eg. Ministry of road transport and Highways) and private entities such as businesses (eg. Banks like, Corporates such as TATA Sons, Medium and Small Scale Enterprises, etc.). Additionally, partners also include Non-governmental organizations (NGOs) (example Pratham, etc.).

A noteworthy thing is that the partner account of **DYO** (a type of partner) has some special functions which include the functionality of DYO as well as a Partner organization, such as NSS, BSG, NYKS etc.

Here are the core responsibilities of the Partner User Type on MY Bharat portal.

- Registration as Partner
- Login as Partner
- Publishing of Experiential Learning Opportunities
- Approval/Rejection of Youth Interests for Experiential Learning Opportunity/Events
- Assigning Tasks to Youth
- Evaluation of Submitted Assignments
- Adding Volunteering opportunities for MYB

Let's understand the Partner Module by walking through each of the above tasks/responsibilities.
