

## SE Printing Equivalence

	2008		2015	
1	Engineering Maths III	207004	Engineering Maths III	207004
2	Strength of M/c Elements	202054	Strength of M/c Elements	202281
3	Basic Elements of Printing Technology	208282	Introduction to Printing Technology	208281
4	Theory of Printing M/c	208284	Material Science	208283
5	Printing Digital Electronics	208283	Printing Digital Electronics	208283
6	Print Layout Design	208285	Print Layout Design	208284
7	Workshop practice I	211286	---	--
8	---	---	Audit course	208285
9	Repro techniques	208288	Print process techniques	208286
10	Print Finishing	208289	Finishing Techniques	208287
11	Electrical m/cs & utilization	203287	Electrical m/cs & utilization	203283
12	Microprocessor & microcontroller in printing	208290	Microprocessor & microcontroller in printing	208288
13	Theory of Printing M/c	202291	Theory of Printing M/c & M/c design	202291
14	Workshop practice II	211292	---	--
15	---	--	Soft skill	208290
16	---	--	Audit course	208290
