

Subject Equivalence for T.E.(Electronics) 2008-2012 course

Subject Code	Name of Subject (2008 Course)	Subject Code	Name of Subject (2012 Course)	Remark
Semester-I				
304201	Feedback Control Systems		Continue as it is	
304182	Data Communication	304202	Data Communication	
304183	Network synthesis & Filter design	304205	Network Synthesis	
304184	Microcontrollers		Continue as it is	
304185	Power Electronics	304212	Power Electronics & Applications	
304186	Electronics System Design practice (OR)		Continue as it is	
			-	
Semester-II				
304207	Drives & Controls		Continue as it is	
304188	Sensors & Interfaces		Continue as it is	
304189	Microcomputer based Systems		Continue as it is	
304190	Industrial management	304213	Industrial management	
304191	Discrete Time Signal Processing	304210	Discrete Time Signal Processing	
304192	Mini Project & Seminar (OR)		Continue as it is	
304193	Test & Measurement Techniques (OR)		Continue as it is
