

# **GUJARATI LANGUAGE**

## **SYLLABUS FOR FYBA.**

Language is sublime power created by us. Language helps an individual to be creative and expressive of the thoughts and emotions that one experiences.

The aim is to give the students an overall view of literature and Enhancement of language vocabulary, also at the same time to improve their style of language expression. The main objectives and salient features of the proposed curriculum are:

1. To enable the students to understand Gujarati literature and increase competency to analyze different aspects of literature.
2. Increase vocabulary of the language and make use of it effectively.
3. Increase the ability to use Gujarati with proper use of grammar.
4. Increase the knowledge to motivate the students for extracurricular reading.
5. To understand the richness of literature and thereby know its true value and importance in our lives.
6. Increase cultural, moral and spiritual values through literature.
7. Develop scientific approach, self reliance and respect for all religions.
8. Develop Originality, Imaginative power and creativity.
9. Make students independent for future vocational life.
10. Motivate students for comparative studies and think independently.
11. To enjoy the poetic beauty of language and participate in multilingual cultural activities.
12. Encourage students to prepare different projects.
