

CBCS 2019 Pattern

Practical Exam Pattern for F. Y. B. Sc.

Course CH-103

Total marks = 50

- **Internal Examination = 15 marks**
 - 05 Marks Journal
 - 05 Marks Performance during practical including attendance
 - 05 Mark for oral during regular practical
- **External Examination = 35 marks**
 - Experiment for 30 marks
 - Oral for 05 marks

Pattern for experiments:

- 50% students shall be assigned Physical chemistry experiment while remaining 50% students shall be assigned organic chemistry experiment.
- Student will perform one physical chemistry experiment = **30 Marks**
Or
Student will perform organic chemistry experiments
 - Chromatography = **15 marks**
 - Elemental detection = **15 marks**

Course CH-203

Total marks = 50

- **Internal Examination = 15 marks**
 - 05 Marks Journal
 - 05 Marks Performance during practical including attendance
 - 05 Mark for oral during regular practical
- **External Examination = 35 marks**
 - Experiment for 30 marks
 - Oral for 05 marks

Pattern for experiments

- 50% students shall be assigned Inorganic chemistry experiment while remaining 50% students shall be assigned organic chemistry experiment.
 - Student will perform one Inorganic chemistry experiment = **30 Marks**
Or
Student will perform organic chemistry experiment = **30 marks**
-
