Savitribai Phule Pune University

Information Technology

B.E.-2012 Course Equivalence with B.E.-2015 Course

B.E.-2012 Course		B.E.-2015 Course	
Subject Code	**Subject Name**	**Subject Code**	**Subject Name**
Semester – I			
414456D	Elective -I – Parallel Algorithms And Design	414465B-Elective-IV	Parallel Computing
414456E	Elective -I – Cloud Computing	414463	Ubiquitous Computing
414457B	Elective -II – Service Oriented Architecture	414457A-Elective-II	Software Defined Networks
414457C	Elective -II – E & M Governance	414464D-Elective-IV	Social Media Analytics
414457D	Elective -II – Geo Informatics systems	414464B-Elective-III	Information storage and retrieval

Semester – II			
414462	Advanced Databases	414464C-Elective-III	Multimedia Techniques
414463A	Elective-III-Mobile Computing	414463	Ubiquitous Computing
414463D	Elective-III-IT Enabled Services	414464B-Elective-III	Information storage and retrieval
414463E	Elective-III-Advanced Computer Network	414457A-Elective-II	Software Defined Networks
414464A	Elective-IV-Bio-Informatics	414456E-Elective-I	Business Analytics and Intelligence
414464B	Elective-IV-Real Time And Embedded Systems	414464A-Elective-III	Internet of Things (IoT)
414464C	Elective-IV-Green IT-Principles And Practices	414465A-Elective-IV	Rural Technologies and Community Development
414464E	Open Elective-Unified Communications And Contact Center Applications	414463	Ubiquitous Computing
