**Instructions :** 1) Attempt **any 4** questions from the following.  
2) **All** questions carry **equal** marks.  
3) Draw sketches **wherever** required.

- |                                                                                                                    |    |
|--------------------------------------------------------------------------------------------------------------------|----|
| 1. A) Explain the 3 types of Room Service Operations.                                                              | 6  |
| B) Explain in brief the points considered while setting up a buffet.                                               | 4  |
| 2. A) List and explain any 3 modes of payments in restaurant.                                                      | 6  |
| B) Assume suitable data and draw any two formats used in room service.                                             | 4  |
| 3. A) Explain any 4 ingredients used in Beer making.                                                               | 6  |
| B) Explain the following type buffet.<br>1) Fork Buffet              2) Finger Buffet                              | 4  |
| 4. A) Classify non-alcoholic beverages with examples of each.                                                      | 4  |
| B) Give two examples of KOT system.                                                                                | 2  |
| C) Give two examples of International brands of mineral water.                                                     | 2  |
| D) Give two examples of Fruit Beer.                                                                                | 2  |
| 5. A) Classify alcoholic Beverages with examples of each.                                                          | 4  |
| B) Draw and explain functions of following KOT :<br>a) Retour en place          b) Accident          c) Supplement | 6  |
| 6. Explain the following terms ( <b>any ten</b> ) :                                                                | 10 |
| 1) Sake                                                                                                            |    |
| 2) Tisanes                                                                                                         |    |
| 3) Compound spirits                                                                                                |    |
| 4) Grenadine                                                                                                       |    |
| 5) Fermentation                                                                                                    |    |
| 6) Caf e' mocha                                                                                                    |    |
| 7) Carlsberg                                                                                                       |    |
| 8) Scandanavian Buffet                                                                                             |    |
| 9) No charge KOT                                                                                                   |    |
| 10) Tequila                                                                                                        |    |
| 11) CaFe' Royale'                                                                                                  |    |
| 12) Buffet.                                                                                                        |    |

[4678] – 204

<b>Seat No.</b>

**204 : TRAVEL & TOURISM**  
**(2008 Pattern)**

Time : 3 Hours

Max. Marks : 70

**Note :** 1) All questions carry **equal** marks.  
2) Answer **any 7** questions.

- |                                                                                               |           |
|-----------------------------------------------------------------------------------------------|-----------|
| I. Define the following terms ( <b>any 10</b> ) :                                             | <b>10</b> |
| 1) Destination                                                                                |           |
| 2) Tour                                                                                       |           |
| 3) Visitor                                                                                    |           |
| 4) V.F.R.                                                                                     |           |
| 5) Outbound                                                                                   |           |
| 6) Senior Citizen tourism                                                                     |           |
| 7) Religious tourism                                                                          |           |
| 8) Sports tourism                                                                             |           |
| 9) Agro tourism                                                                               |           |
| 10) Rural tourism                                                                             |           |
| 11) Health tourism                                                                            |           |
| 12) International tourism.                                                                    |           |
| II. A) Explain the primary constituents of tourism in detail.                                 | <b>6</b>  |
| B) Explain the various career opportunities available for a tourism professional.             | <b>4</b>  |
| III. Explain the role and objectives of the following tourist organisation ( <b>any 4</b> ) : | <b>10</b> |
| 1) M.T.D.C.                                                                                   |           |
| 2) D.O.T.                                                                                     |           |
| 3) T.A.A.I.                                                                                   |           |
| 4) T.F.C.I.                                                                                   |           |
| 5) I.A.T.A.                                                                                   |           |
| IV. Explain the following impact of Tourism.                                                  | <b>10</b> |
| 1) Employment Generation                                                                      |           |
| 2) Regional Growth                                                                            |           |
| 3) Passport to Peace                                                                          |           |
| 4) Tourism Pollution                                                                          |           |

P.T.O.

V. A) Define tour operator and types of tour operator.	4
B) Explain the role of transport in tourism.	6
VI. Explain passport and VISA in detail.	10
VII. Plan an itinerary of 5 days 4 nights to Goa.	10
VIII. Explain retail and wholesale travel agent and function of Travel Agent.	10
IX. Write short notes on :	10
1) Modes of Transport	
2) Package tours	
3) Economic Regulation	
4) N.G.O.	
X. Explain in detail :	10
1) Guide and Escorts	
2) Growth of Tourism in India.

**B.Sc. (Hospitality Studies) (Semester – II) Examination, 2014**  
**205 : CATERING SCIENCE – II**  
**(2008 Pattern)**

Time : 3 Hours

Max. Marks : 70

**Instructions :** 1) Q.No. 1 is compulsory.  
2) Attempt any four more questions from Q.No. 2 to Q.No. 7.

1. Define the terms (any 5) : (5×2=10)

- i) Food
- ii) Empty calories
- iii) Dehydration
- iv) Vitamins
- v) Health
- vi) Balanced diet.

2. A) Match the following contents from Column 'A' with the contents from Column 'B' : 10

**Column 'A'**

- 1) Salt and sugar
- 2) Carotene
- 3) Iodine
- 4) Food source of complete protein
- 5) Iron
- 6) Source of Vitamin D
- 7) Pulpy part of Orange
- 8) Margarine
- 9) Vitamin B
- 10) Ariboflavinosis

**Column 'B'**

- a) Formation of Haemoglobin
- b) Meat and poultry
- c) Sunlight
- d) Riboflavin
- e) Cereals and pulses
- f) Precursor of Vitamin A
- g) Fat soluble vitamin
- h) Prevents dehydration
- i) Edible portion of food
- j) Water soluble vitamin
- k) Goitre
- l) hydrogenated fat

- B) Explain 'Basic five food groups' with suitable examples. 5

3. A) Explain the effect of heat on fat. Give any three points of differences between Animal fat and vegetable fat. 5

- B) Mention any four dietary sources of water. Explain the concept of water balance in body. 5

- C) Plan a balanced day's diet for an office executive aged 45 years who prefers non-vegetarian food. 5

4. A) Explain any three functions of proteins in the diet. Name any two protein deficiency diseases. 5
- B) Explain the term 'Cholesterol'. Give any four food sources rich in cholesterol. 5
- C) Explain 'Calcium' on the basis of :
- i) Four good food sources 2
  - ii) Two important functions 2
  - iii) One deficiency disease. 1
5. A) Explain any five ways to preserve nutrients while cooking food. 5
- B) A glass of strawberry milkshake provides approximately 260 Kcal of energy. It provides 6 gms proteins and 4 gms of fat. Calculate the amount of Carbohydrate present in a glass of strawberry milkshake. 5
- C) Classify Carbohydrates with suitable examples. 5
- OR
- Classify Minerals with suitable examples.
6. A) Explain the concept of supplementary value of protein with suitable examples. 5
- B) Explain the ill-effects of excess consumption of fat in the diet. Explain any two ways to prevent rancidity of oil. 5
- C) List the ten essential amino acids needed for a child. 5
- OR
- Explain the importance of avoiding junk food.
7. A) Mention any two foods to be recommended and two foods to be avoided for the following : 10
- 1) Fever and infection.
  - 2) Diabetes Mellitus.
  - 3) Diarrhoea.
  - 4) Heart related diseases.
  - 5) Jaundice.
- B) Explain any one importance and give three good food sources for each : 5
- 1) Dietary fibre
  - 2) Sodium chloride.
-

Seat  
No.

**B.Sc. (HS) (Semester – III) Examination, 2014**  
**306 : HOTEL ENGINEERING**  
**(2008 Pattern)**

Time : 3 Hours

Max. Marks : 70

- Instructions :**
- 1) Answers to the **two** Sections should be written in **separate** books.
  - 2) **Neat** diagrams must be drawn **wherever** necessary.
  - 3) Black figures to the **right** indicate **full** marks.
  - 4) Use of logarithmic tables slide rule, Mollier charts, electronic pocket calculator and steam tables is **allowed**.
  - 5) Assume suitable data, if **necessary**.

**SECTION – I**

1. Answer **any two** : **(2x10=20)**

- a) Explain with diagram maintenance of domestic refrigerator and give importance of defrosting.
- b) Describe contract maintenance with its type and advantages and disadvantages.
- c) What are the functions and responsibilities of maintenance engineering department in Hotel ?

2. Answer **any three** : **(3x5=15)**

- a) What are the sources of air pollution and give its controlling methods ?
- b) State the factors which will affect comfort of air conditioning.
- c) Define the terms.
  - i) Dry bulb temperature
  - ii) Wet bulb temperature
  - iii) Dry air
  - iv) Moist air
  - v) Humidity.
- d) Explain with diagram window air-conditioner.
- e) Differentiate between unitary and central air conditioning system.

**SECTION – II**

3. Answer **any two** : **(2x10=20)**

- a) Explain zeolite process for water softening with diagram.
- b) Describe working and construction of any two types of fire extinguishers.

P.T.O.

- c) Calculate electricity bill for 15 days. The electric load is as follows with rate Rs. 10 per kwh.
- i) 100 W bulbs – 06 Nos – 10 hrs/day
  - ii) 10 W tubes – 10 Nos – 04 hrs/day
  - iii) 4 KW boiler – 02 Nos – 04 hrs/day
  - iv) 80 W refrigerator – 02 Nos – 03 hrs/day
  - v) 2 KW heater – 02 Nos – 02 hrs/day.
4. Answer **any three** : (3x5=15)
- a) Give energy saving tips in Guest room and laundry.
  - b) Give classification of fuel with examples.
  - c) Explain importance of earthing with example.
  - d) Write note on i) LPG ii) Bio-gas.
  - e) Draw any five plumbing fixtures.
-
